WASHINGTON, Sept. 7 .- The "Guano Question" oc-

Guano has proved an expensive delusion, some been already made use of to some extent, more eston, N. C. thing of a humbug. It was used by the Incas three pecially in Connecticut, and other eastern States or four hundred years ago with great advantage, but its usual hight is about 41 feet. A taller growing are affixed to each box. is too fast for these times. It extinguishes the seed species is also quite common, and is the Rhus typhi with which it comes in contact, and nearly burns up num. It usually attains the hight of 10 to 12 feet the soil itself. The price of Guano here is from or more, with small clusters of dingy red berries .fifty to sixty-five dollars per ton of 2,000 lbs. Its A third species is Rhus copallinum, which is quite use is chiefly confined to the districts between the common in dry woods and fields, more especially Delaware and the Capes of the Chesapeake. The where the soil is sandy. This species has more re has been particularly disastrous this year. It de- produces dull, redish berries in small clusters. I but is now well and hearty. stroved nearly all the Indian corn planted with it should incline to the belief, that this is the preferable The re-planted corn on the same lands came up, it is native species for tanning, and fortunately it is distrue, but was caught by the drought and will not seminated far to the south and west, though seldom mature; and the singular spectacle is presented of a found north of New York. The Indians of the Misfair crop on lands not matured at all, and of no pro- sissippi and Missouri make use of the leaves of this duct worth gathering in adjoining fields overspread species as tobacco. A fourth species is Rhus arowith this costly but most deleterious foreign sub- amticum, which is not found in this State, or to the stance. It is estimated that two millions of dollars north or east of it. Its most northern limit is Pennwere expended last Spring by the farmers of Vir- sylvania, thence extending to Carolina and to Kenginia, Maryland, the District of Columbia, and Dela- tucky. This is a shrub of about four feet in height, ware, in the purchase of Guano, and that they have with trifoliate leaves, which distinguish it from all lost five millions of dollars in consequence.

of Friday, says, on Wednesday last flour went down describes the eminent philosopher: may be wiser; but this is our opinion.

The Georgian of Thursday says: "The Rt Rev. Edward Barron, D. D., Chatholic Missionary Bishop of the Coast of Africa, died in this city yesterday of Pneumonia. In consequence of impaired health Bishop Barron was on leave of absence from his charge, and has been temporarily residing in Florida. On his way to the North, a few weeks since, he stopped in this city. When the epidemic broke out he concluded to remain to render such service as circumstances might require. Until attacked with the disease of which he died he had been instrumental of much good in our midst. He was originally attached to the diocese of Baltimore.

The Rev. Joshua G. Payne, who was placed in charge of Wesley Chapel, by the last Georgia Conference of the Methodist Episcopal Church, South, fell a victim in Savannah, Ga., in the discharge of his pastoral duties, to the prevailing epidemic on the morning of the 12th inst, at 10 minutes past 2 o'elock.

North, experienced a heavy gale, during which time she leaked badly. On the 8th, had to cut away topmasts and yards, and lost jibboom; at night the wind took a boat off the after-house, and stove one on the forward-house. On the 10th, steered E. N. E., with staysails, and passed three vessels; one with her bulwarks all stove in; one with everything above deck gone; and one with her masts all blown away. On the 13th, was taken in tow by steamer Sam. Beebringing her up to this port, she went ashore in the Narrows, where part of her cargo was taken out.

Dugald McDugald, in the county of Moore, about

THREE THOUSAND ACRES OF LAND. lost of which is situated immediately on the Plank Road etween Fayetteville and Carthage, about 30 miles from the om having been worked only the them more than this season and the last. The lands are well watered, and upon one of the tracts, and immediately House in process of crection—being all covered in : also two New York,...1 chimneys; besides many other well-constructed outhouses, and 20 or 30 good and substantial Cabins for operatives and At the same time and place I will also sell two large and

TURPENTINE STILLS All with the most perfect and complete arrangements; and six ROAD WAGONS, all new, and of the very best materals; also four head of HORSES, and eighteen Head of MULES-most of them very likely-also much other valuable property, too tedious to enumerate.

The sale will be continued from day unto day, until TERMS: For all sums of ten dollars and under, cash .-

For all sums over ten dollars, a credit of six months will be given-the purchaser giving bond and approved surety. JOHN McNEILL, TRUSTEE. Sept. 22, 1854

VALUABLE COTTON FACTORY AND MILLS FOR SALE. HE undersigned, pusuant to an Order of the Court of Equity, will offer to the highest bidder on the premises, at the Falls of Tar River, in Edge-comb county, about one mile from Rocky Mount Depot, on

Wednesday the 1st day of November next, the FACTORY AND MILLS owned by the late James S. Battle and Wiliam S. Battle-also several small tracts of Land adjacent thereto. The said Factory has been worked for many years in the spining of Cotton Yarn, and is now in fall operation being well fitted with every kind of machinery necessary to that business, and having a new and substantial stone dam which has been recently creeted at great cost. Near by the said Factory there is A GRIST MILL, with five pair of years, with a new Circular Saw recently put up. With fifty acres of Land on which are located A FINE DWELLING, Overseers and Operatives. With the said Factory and Mills ing foot up only 1,151 bbls., as follows: will be sold SEVERAL SMALL LOTS OF LAND, one Lot of 80 acres, suitable for furnishing timber for the saw. This sale presents to the capitalist a fine opportunity for a Friday profitable investment. At the same time will be sold, a Lot of 6 or 8 acres on the Tuesday

north side of the river, on which is A STORE HOUSE .--Also, a Lot of one or two acres at Rocky Mount Depot, on which is also a Store House. Likewise, a small piece of piney wood land, about two miles from the Falls, of 100 Terms-the parchaser of the Factory and Mills will be required to give bonds with able sureties, payable in four equal

innual justalments with interest from the day of sale. give bond with abte sureties payable in nine and eighteen months with interest from day of sale. KENELM II. LEWIS, C. M. E.

3,850 ACRES OF LAND FOR SALE, THE Subscriber, being desirous of moving to the West, offers his lands for sale, lying in Sampson county, on South river. The lands are adapted to making Turpentine Rosey In this article we have no change to note on former dwelling, and all necessary out-houses, on the place. The Any person wishing to buy lands would do well to give the lands and premises a look before buying elsewhere. The payments will be made easy and accommodating.

Cypress Creek, Bladen County. D. W. CROMARTIE.

Sept. 22d, 1854 STORE-HOUSE AND LOT FOR SALE. WILL BE SOLD at Public Auction, at the Court House, in Kenansville, Duplin County, on the 17th day of October next, (Tuesday of Court week,) if not previously disposed of at private sale, the Store-house and Lot, in said village, now occupied by Mr. G. A. Newell. Terms at sale. Sale positive and title warranted.

B. F. GRADY Wilmington, Sept. 21, 1854 CLINTON MALE ACADEMY. THE first session of this Institution will commence on the 1 18th inst. The services of Mr. Wm. G. Barton, a graduate of one of the oldest and most respectable Colleges on

the continent of Europe, have been secured. The various branches of an English, Classical and Mathematical education will be thoroughly taught. Mr. Barton will also take classes in French and Spanish; and, having studied and spoken these languages in France and Spain, he feels confiof communicating a thorough knowledge of them. From ers not disposed to operate.

REVIEW OF THE WILMINGTON MARKET, FOR THE WEEK ENDING SEPTEMBER 21, 1854.

TURPENTINE-Since our review of Thursday last, this article has ruled unsteady, and the price has declined 20 cents on stones, which is likewise in full operation, and also A SAW both qualities. For dry virgin a deduction of one-fifth is now MILL, which has been in constant use a great number of made on the actual price -- and on some lots a further deduction is made, according to the quality. The receipts and sales together with other baildings suited for the habitation of have been extremely light, and for the week ended this morn-

Medicated Gutta-Percha Collodion,
NEW and Valuable Remedy for dressing Wounds, Cuts,
Burns, and Ulcers. It has been tried successfully by
Physicians, and found successfully by

HAY-The demand for this article continues limited, and sales are hard to effect. Received this week about 310 bales tural Cuticle. It may be advantageously used in chapped Northern and 90 do. Eastern make. On Monday 100 bales lips, exceriations about the neck and cars of children, and H. B. & Co. are establishing Depots for the sale of "The in Brunswick county, near Shallotte, when he left, under a Protector" in all parts of America. Physicians, Surgeons, man by the name of McDonnell. The owner of said negro is Wednesday, 100 do. at 85 cents \$\mathbb{P}\$100 lb.; balance on mar-gical operations.

> at \$1 50 @ cask, from store. LIQUORS- Whiskey has advanced I cent on last quotation and sells from store at 45 @ 48 cents & gallon, as in quality See table. LUMBER--River--We hear of no sales this week, and note little or no demand. Quotations nominal; see table.

POTATOES-A lot of 30 bbls. Irish Potatoes arrived this week, and sold from store at \$3 75@\$4 25 \$ bbl., as in quantity. Sweet potatoes have been brought in rather more freely, and sell at 80 cents @ \$1 \$2 bushel, from boats and carts.

Provisions—In N. C. Bacon we notice no receipts since our last review, and there is a very light stock in first hands .-There is a good enquiry from grocers, and a fair article would sell readily at our highest figures. The sales for the week have been only of small parcels at our quotations. See table. In Western cured we notice a fair stock in first hands, with sales during the week at 81@9 cents for middlings, and 71@8 cts. \$\mathbb{P}\$ lb. for shoulders; the demand is limited.—LARD-N. C. make is in very light supply, and we note considerable demand from grocers. A lot of 7 bbis, and 14 kegs received on Thursday last sold at 11½ cents in bbls, and 12½ cents # fb. in kegs -For store prices of Northern Beef and Pork we refer our table; the latter is in fair supply, with a moderate demand SALT--In Liverpool Salt we notice the receipt coastwise this week of 4,050 sacks; about 2,000 sacks of which have been sold at \$1 55 \$9 sack, cash and 90 days; and 300 do. in lots at \$1 65 ₱ sack. There is a fair supply now in store, and the demand is somewhat limited. Alum remains in light supply, and we continue former quotations—70 ๋ 75 cents ₱ bushel. SHINGLES--Some parcels of Common Shingles have been brought in this week and sold at previous quotations-\$3 @ \$3 25 \$\mathre{A}\$ M., as in quantity and quality.

STAVES AND HEADING-No Staves received, and we note fair demand for W. O. Bbl.; a merchantable article would bring \$20 @ 25 \$ M. A lot of 14,000 pieces Ash Heading arrived on Thursday last and sold at \$9 \$\mathbb{H}\$ M., without inspection; a good article would command \$14 \$\mathbb{H}\$ M., inspected. TIMBER-Continues to be brought in slowly. Only 6 @ 7 rafts arrived this week, and sold at prices ranging within classified figures. See table. FREIGHTS-No change to notice in coastwise rates. There

are plenty of vessels in port, with a fair supply of produce for

shipment. See table. HAVANA, Sept. 11 .- The business operations since our last report of 28th ult., have been less animated than previously noted. Sugars have been in limited demand on account of high pretensions of holders, and we have not heard of any transactions worthy to be mentioned. Good dry sugars of bright color and strong grain are scarce and readily fetch rial and above our quotations. The stock in the city and the Rega warehouse remains as last stated, say about 105,000 boxes against 180,000 boxes in 1853, and 110,000 boxes in

1852, same period. Of Muscovada sugars little is left. We

put our quotations to-day as follows:-Whites, 7 to 9 rls. florette yellows, scarce, 7 to 71; good to prime do. 6 to 61; browns, 51 to 64; cucuruchos, 41 to 5. Molasses.—Operations have been small for want of the ar-ticle and suitable vessels to carry it. Last sales were made at 3rls. keg, deliverable at outports. None shipped from here during the past fortnight.

CHARLESTON, Sept. 19. -Cotton .- The transactions to-day were limited to 400 bales, at extremes ranging from 64 to 92.c We quote good Middling at 82@9c. NEW YORK, Sept. 19 .- Flour market unsettled for the better grades, with a decline of 25 cents; the steamer's news having depressed the market-sales of 4250 bbls. Ohio at \$875 @8 94; sales of 2000 bbls. Southern at \$8 75@9. Whiskey 41 cents. Corn 80@82 cents. Mess Pork \$14 25@14 50 Prime unchanged. Lard 103@114 cents.
